AUDIT TYPE:

Announced Audit

AUDIT SCOPE:

The Santos Harvest Crew was observed hand harvesting peaches off of trees and placing them into harvest bags. Once the harvest bag is full, it is carried to the harvest wagon at which point the bottom of the bag is unhooked and the peaches are emptied into a plastic macro bin. Macro bins are located on a small trailer which is able to carry two to three bins at a time and pulled by a tractor through the orchard. Once bins are full they are taken to the packing house for cooling and packing operations.
